

## How To: Use App Absentee Form

 Once you know your student will be absent from school you can submit an absentee note. Submitting the note via the app streamlines collection and retention of notes for the school.

Please ensure a note is submitted once you become aware that the student will not be present. **Ideally notes should be submitted by 9:00 on the morning of absence.** 

Click *Absentee Form* on your App sidebar. Once you have submitted the form the school will be notified of the absentee.
