

€3,000

School Computer Equipment Competition Motor Industry Apprenticeships

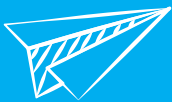

HOW TO ENTER

1 Students visit:
www.simi.ie/en/schools-competition

2 Answer the questions based
on the **videos** linked below

3 Submit

Answers are
based on these
short videos

3 winning students selected will receive Beats Studio Buds worth €150 and a €1,000 computer equipment voucher for their school

The questions that will be asked on our website are;

- 1 Name the five different Motor Industry apprenticeships you can specialise in?
- 2 List the advantages of an apprenticeship in the Motor Industry
- 3 How many of the 7 phases of an apprenticeship take place in the workplace?
- 4 What qualification do you receive on completing an apprenticeship
- 5 Who can you contact regarding more information on Motor Industry apprenticeships?
- 6 Did you know you can speak directly with SIMI and motor businesses at Worldskills Ireland in the RDS from September 20-23rd 2023?
- 7 In 50 words or less, describe how you see the future of motor vehicle maintenance

By entering this competition each entrant (or through a parent/guardian on their behalf) agrees to the transfer of their personal data to SIMI as necessary for the administration of the competition in accordance with the terms and conditions www.simi.ie/en/schools-competition/terms-and-conditions. For more information about how SIMI uses and protects personal data, please see SIMI's data protection statement (www.simi.ie/en/privacy-statement) **T&C - Closing Date 15th May 2023.**
