

COVID 19

March 2021

Senior Students

Some reminders before we return...

The background features a series of overlapping, dark blue geometric shapes that create a sense of depth and perspective, resembling a staircase or a series of planes. A prominent teal-colored parallelogram is positioned in the upper right quadrant, and a bright blue parallelogram is located in the lower right quadrant. The overall aesthetic is modern and minimalist.

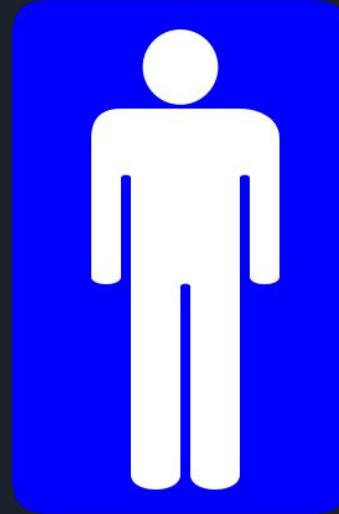

- **Wash your hands thoroughly using soap and water.**

- **If you are unable to access soap & water, please use sanitizer.**
- **Hand sanitizing stations are set up all around the school. It is important that you use them upon entering and exiting a classroom/the building**

- 
- **Don't forget, only TWO people are permitted into bathrooms at any one time.**
 - **Please wait your turn if there are others inside**

- **Your base classrooms still apply. Please ensure that you do not move the furniture as they are spaced at 1m distance (shoulder to shoulder)**

- 
- We encourage you to go outside at break and lunch times. Get some fresh air.
 - But please **DO NOT** congregate in large crowds and respect the social distance guidelines

- Wear a mask correctly **AT ALL TIMES** when inside the building.
- You should not touch or pull at your mask once you have it fixed in place.

- 
- **We ask that you adhere to Public Health advice AT ALL TIMES.**
 - **Please ensure that you have all the necessary equipment as it is not advisable that you share pens/pencils etc...**
 - **If you feel in anyway unwell whilst in school, please inform a member of staff immediately. DO NOT WAIT until break or lunch time.**
 - **If you feel unwell before coming to school, PLEASE STAY AT HOME.**

- The school has been cleaned and desks will be wiped using anti-viral spray at the end of each class.
- There is no harm in having your own personal bottle of hand sanitiser with you in your bag.
