- 
- Welcome and Introductions - Q&A function explained
  - Mr Wheeler, Year Head
  - Ms Mills, LCA Coordinator
  - Ms O'Malley, LCVP Coordinator
  - Mr D Dennehy & Ms E McDonnell, Career Guidance Counsellors
  - Mr Leonard, Subject Preferences through VsWare

# VsWare - entering subject preferences

- Parents/Guardians log in to VsWare and select Subject Options
- Choose a subject for each space - incomplete forms will not be accepted
- This is not a race, entering preferences quickly does not impact at all on getting a subject so please take your time but be sure to enter preferences by Tuesday 23rd March. Incomplete subject preferences will be completed on your behalf.
- Choose preferences really carefully - number 1 needs to be the subject that is most important to you, then number 2 and so on.
- Factors such as teacher allocation, subject demand and timetabling do have a bearing on what ultimately can be offered.
- There can be some limited opportunities to change subjects after this process ends.
