

Welcome  
to the incoming  
Class of 2023

# This evening you will meet:

Mr. Joe Leonard:	Principal
Ms. Katriona Harney:	Deputy Principal
Ms. Aisling Reigh:	Deputy Principal

# Our Agenda

- About our school & our expectations
- Our School Day
- School Journal
- School App
- Uniform
- Mobile Phones & Technology
- School Lunch
- Look to the Future

# Our Mission Statement

We, the community of Cross and Passion,  
acknowledge the central importance of caring **relationships** with each  
other,  
in the creation of a safe learning environment  
where all are encouraged to grow,  
with dignity, to their full potential.

Students are encouraged and helped to treat each other equally and with  
**respect** while at the same time  
assisting them to grow in appreciation of their gifts and talents, both creative and  
critical, in a good balance between **academic, social and spiritual** growth.

# Statement of Expectations

Be Respectful

Be Ready

Be Involved

## Just 5 things to remember!!

1. Students will show respect to themselves, all members of our school community and our school environment.
2. Students should attend school every day. Students should be on time for all their classes throughout the school day.
3. Students will bring their journal, books, copies, homework and all equipment so that they can fully participate in each class.
4. Wearing the appropriate school uniform is expected everyday.
5. Students are responsible for ensuring that our school is a safe and healthy school environment for all.

The most important expectation of all:

Students will show respect to themselves,  
all members of our school community  
and our school environment.

# Our Goals

- A smooth transfer for the pupil
- A continuity in pupil's education
- A transfer of information between the schools
- The accurate sharing of information
- The removal of the “fear factor”
- The positive relationship building between parents, students and school

# 1st Year 2023 - 24

- There will be 6 base classes with 24 students in each.
- These classes are mixed ability groupings.
- Each class has a class teacher.
- Support is given to classes in the form of co-teaching.
- Targeted supports are put in place to help individual students where needed.
- Students will be given their class on the induction day.

# School App

By now you should have received a message from the School App providers with a link to download the App.

- Our main way to communicate with home
- Notifications & News
- Make Payments

- Absent Notes/Late notes/Permission to leave school for appointments
- Update Medical Information
- Consent forms and more!

# Focus on Technology & Phones

- **Online Platform:** We are a G-Suite school using google education apps. Students will get all the training they need to allow them to use these tools with confidence.
- **Mobile Phones:** Phones are used under supervision in class when needed. Students are not permitted to use the phone on the school corridors and must leave their phone on their desk if leaving the classroom to use the toilet.

Students may access their phones at break time if needed while in their base rooms or outside the school building.

If your child does not have a phone that is absolutely fine!

Please pay particular attention to:

# School Lunches

## FOOD VILLAGE YOUR NEW LUNCH SERVICE HOW DOES IT WORK?

A team of Food Village chefs prepare your lunch order each day, we then deliver these meals into school where our team of operators heat & distribute these orders to students.

All Food Village orders are placed via a state of the art mobile APP which displays the menu choice, nutritional and allergen information, budgets, transaction history, student linking & much more. The flexibility of the Food Village service is a long awaited amenity for students.
